PUBLISHER'S PREFACE.

The market does not contain a work specially arranged for the Flute and Piano. This demand has been formerly supplied by books originally arranged and intended for the Violin and Piano, and the only change has been in the cover. Frequent inquiries for duets for the Flute and Piano has led to the publication of this volume, which is made up of arrangements from twenty-five popular Operas. The editor, one of our best performers on the Flute, brings both care and skill to his work, and the result is a handsome volume of music, for which we anticipate a large and constantly increasing sale. Trusting that our efforts to supply a work which Flute players have long needed, will be duly appreciated, I am

Yours truly,

J. W. PEPPER.
